Abbie Hoffman was so young  
Don't you know your king has gone?  
Mmm, well well  
River Phoenix was so young  
Don't you know your prince has gone?

Hey, hey there sister  
What is holy in your life?  
Hey, hey brother  
Sacred in your life?

Kurt Cobain was so young  
Sad to see this poet's gone  
Andrew Wood was so young  
It's hard to feel this priest is gone

The heat is up, the heat is on  
The heat is up, the heat is on  
What you do is what you get  
Don't be surprised by that effect, oh no

Hey, hey there sister  
What is holy in your life?  
Hey, hey there brother  
What is sacred in your life?  
Hey, hey there sister  
What is holy?

Holy in your life  
What is good? What is pure?  
Holy in your life  
What is safe? What is secure?

Holy in your time  
Yeah, what is free?  
What is me?  
Holy in your mind  
Sacred and secure  
Do we need much more?

Hey, hey there sister  
What is holy in your life?

Hey, hey there brother  
Was is sacred in your life?

Hey, hey, hey sister  
What is holy, holy, holy in your life?  
Hey there brother  
What is safe?  
What is secure and sacred in your life? Well
