The boats have sailed away  
I stand here on the shore  
Can't see them anymore  
Can't see them anymore

Waving from afar  
To the land called home  
Can you come back soon?  
We wish we could

We think we've gone too far  
On this ship of fools  
We think we've gone too far  
On this ship of fools

And now, I walk the shore  
Searching for my soul  
Born in sea and sky  
I was born in sea and sky

Cast afloat the sea  
Is the ship of fools  
And cast afloat the sea  
Is the ship of fools

Heaven's know why  
They went away  
They're all aboard  
Except for me

Can you come back soon?  
We wish we could  
We think we've gone too far  
On this ship of fools

On this ship of fools  
On this ship of fools

And now, I walk the shore  
Searching for my soul  
And born in sea and sky  
I was born in sea and sky

In this ship of fools  
In this ship of fools  
Cast afloat the sea  
Is this ship of fools

We think we've gone too far  
We think we've gone too far  
Think we've gone too far  
Think we've gone too far
