I know that love is like
Licking honey off a knife
Cut me where I stand
Upon this killing floor
I need you more than truth

Siberia
Frozen like your tears
Let me in closer
Surrender forever
The love that you fight
Is the love that I give

Vicious in the fight
With lightning in your eyes
Majestic raven's claws
They tear my heart once more
I need you more than truth

Siberia
Frozen like your tears
Let me in closer
Surrender forever
The love that you fight
Is the love that I give

Surrender forever
Witches tears are melting
Ghost ships are on fire
You'll never make it out alive
You'll never make it out alive

Siberia
Frozen like your tears
Let me in closer
Surrender forever
The love that you fight
Is the love that I give

Siberia
Frozen like your tears

Let me in closer
Surrender forever
You'll never make it out alive
