Who would break a butterfly on a wheel?  
Not me, my precious child  
Sweet angel, wrap me in your velvet cloak, my dear  
Love's a sweet warm Goddess I invited here

So many times I call your name, baby baby, please  
So many times I call your name, yeah  
Before the night is through grant me one last wish  
Sweet soul asylum yeah, an everlasting kiss

Who would crush this woman underfoot?  
Oh not me, my chosen one  
(My chosen one)  
Sweet angel, wrap me in your velvet cloak, my dear  
Love's a sweet warm Goddess I invited here

So many times I call your name, oh please baby, yeah  
So many times I call your name  
Before the night is through grant me one last wish  
Sweet soul asylum yeah, an everlasting kiss  
Oh baby, yeah yeah yeah  
Oh oh oh, takes me far away

So many times I call your name, oh baby baby, please  
So many times I call your name  
(Before the night is through)  
Before the night is through  
(Grant me one last wish)  
Oh, grant me one last wish  
Sweet soul asylum, an everlasting kiss

(Before the night is through, grant me one last wish)  
Sweet soul asylum, an everlasting kiss  
Sweet soul asylum, yeah oh, sweet soul asylum, yeah  
Sweet soul, yeah, sweet soul asylum, oh
