Cultivate a war breed  
Get the head your soul needs  
Crystallice at light speed  
Dis the lies that they feed

Cultivate a war breed  
Get the head your soul needs  
Crystallice at light speed  
Dis the lies that they feed, that they feed

We're burning out of control  
We're burning out of control  
We're burning out of control  
We're burning out of control

War a state of mind  
War our hearts are blind  
War is nature dead  
War, war

Holy war, tears of man drop your front baby  
Obey the command  
Holy war, tears of man drop your front baby  
Obey my command

Split the lip that dope feeds  
Exterminate the bad seed  
Tread the path that monks breathe  
Ride the horse that runs free, that runs free

We're burning out of control  
We're burning out of control  
We're burning out of control  
We're burning out of control

War a state of mind  
War our hearts are blind  
War is nature dead  
War, war

Holy war, tears of man drop your front baby  
Obey the command

Holy war, tears of man drop your front baby  
Obey my command

Lies, drugs, hate, guns  
God, fear, flies, sex  
Lies, drugs, hate, guns  
God, fear, flies, sex

We're burning out of control  
We're burning out of control  
We're burning out of control  
We're burning out of control

War a state of mind  
War our hearts are blind  
War is nature dead  
War, war

Holy war, tears of man drop your front baby  
Obey the command  
Holy war, tears of man drop your front baby  
Obey my command
