White
Shining
Shining brightly
Pure crystal snow
White
Oh, virgin

White
White
Shining
Shining brightly
White
Yeah, white
Shining
Shining bright

Snow is crystal the fire is cold
I sit back watch the sun turns gold
In the mornin' love is healing
Warms the frost deep in my bones and then your
Mamma said

White
White
It's shining
Shining bright
White
White
Shining
Shining brightly

The hunter sits on a pure white stallion
A hawk in flight, the bow in his hand
A deer approaches at the edge of the forest
The arrow flies, blood on the snow
Said Mamma, said

White
Yeah, white
Shining
Shining brightly
White

White
Shining
Shining bright

Blood on the snow
Said Mamma, said
White
Shining
Shining bright
White
White
Shining

Snow is crystal
Love is pure
I look out and see a hawk in flight
The forest awaits me, the keel awaits me
I reel back watch the sun turn to gold

Earth in the mother said white
Sure crystal clear
Yeah, virgin white
Wilderness, lost to us
Wilderness, we reach out
Wilderness, we must embrace you once more

Woh
Yea yeah
Yeah
White
Oh, yeah
Shining brightly
Snow is pure now

When the Barbarians approach on the frontiers of a
civilization
It is a sign of a crisis in that civilization
When the Barbarians come not with weapons of war
But with songs and icons of peace
It is a sign of the crisis in one of a spiritual nature
That's a spiritual nature
We have forgotten our spiritual nature
'Cause we are wrapped up in too much shit all day, all
night

Can you give me
White
Shining bright
White, yeah
Kiss the earth, said Mamma, said white
Earth motherfucker said white

Aoaw
Ooh yeah, yeah, yeah
Yeah, yeah, yeah

White
White, yeah
Yeah yeah yeah
Aoaw
