I can't wake from this dream  
Death walks right beside me  
The light shines bright behind me  
I can't wake from this dream  
Death walks right beside me  
The light shines bright behind me

Raise your fist high  
Sun tear the sky  
Night's legions fly forever and ever

Through the terror and the hate  
I see your blackest eyes  
Killing all the young men  
Dissolve, destroy the night  
Witches and the slaves  
Riots and the protest lines  
Sacrifice the fatted calf  
Kali

I can't wake from this dream  
Death walks right beside me  
The light shines bright behind me  
I can't wake from this dream  
Death walks right beside me  
The light shines bright behind me

Raise your fist high  
Sun tear the sky  
Night's legions fly forever and ever

Kali, kali, kali  
Money, money, money  
Kali, kali, kali  
Money, money, money

I can't wake from this dream  
Death walks right beside me  
The light shines bright behind me  
I can't wake from this dream  
Death walks right beside me  
The light shines bright behind me
