I was dancin', with your shadow  
Slow down memories hall  
I said, "Wait, have I been seduced and forgotten?"  
You said, "Baby, haven't we all"

Now I don't like crying  
'Cause it only gets me wet  
But I can't help failing  
To remember to forget you  
And I know it's gonna be a long time

Now I'm cryin', like a church on Monday  
Prayin' for these feelings to go away  
So do me a favor baby  
Put down your new God  
And love me like Sunday again  
Woa, woa

I was hidin', in your bedroom  
When I saw him come inside  
I can't live, oh in his shadow  
Is that where I'm dancing, till I die

Now I don't light candles  
'Cause they make me see the light  
That I can't help failing  
To remember, to forget you  
And I know it's gonna be a long time  
Hoo

Now I'm cryin', like a church on Monday  
Prayin' for these feelings to go away  
So do me a favor baby  
Put down your new God  
And love me like Sunday again

Aow  
Now I'm crying, like a church on Monday  
Prayin' for these feelings to go away  
So do me a favor baby  
Put down your new God  
And love me like Sunday again

Woa, woa

Lala, lala, lala, lalaa

Lala, lala, lala, lalaa

Lallalla
