Wake up kids  
We've got the dreamers disease  
Age fourteen  
we got you down on your knees  
So polite  
you're busy still saying please  
Frenemies  
who when you're down ain't your friend  
Every night  
we smash their mercedes-benz  
First we run  
and then we laugh till we cry  
But when the night is falling  
and you cannot find the light  
If you feel your dream is dying  
Hold tight  
You've got the music in you  
Don't let go  
You've got the music in you  
One dance left  
This world is gonna pull through  
Don't give up  
You've got a reason to live  
Can't forget you only get what you give  
Four a.m. we ran a miracle mile  
were flat broke but hey we do it in style  
The bad rich  
God's flying in for your trial  
(chorus)  
This whole damn world can fall apart  
You'll be ok follow your heart  
You're in harms way I'm right behind  
Now say youre mine  
(chorus)  
Fly high  
What's real can't die  
You only get what you give  
Just dont be afraid to leave  
Health insurance rip off lying fda big bankers buying  
Fake computer crashes dining  
Cloning while they're multiplying  
Fashion shoots

with Beck and Hanson  
Courtney Love and Marilyn Manson  
You're all fakes  
Run to your mansions  
Come around  
We'll kick your ass in  
Don't let go  
One dance left
