90 miles outside chicago
Can't stop driving
I don't know why
So many questions
I need an answer
Two years later you're still on my mind
Whatever happened to Amelia Earhart
Who holds the stars up in the sky
Is true love once in a lifetime
Did the captain of the titanic cry
Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why I wasn't meant for you
Does anybody know the way to Atlantis
Or what the wind says when she cries
I'm speeding by the place that I met you
For the 97th time tonight
Someday we'll know
If love can move a mountain
Someday we'll know

Why the sky is blue
Someday we'll know
Why I wasn't meant for you
Someday we'll know
Why Samson loved Delilah
One day I'll go
Dancing on the moon
Someday you'll know
That I was the one for you
I bought a ticket to the end of the rainbow
I watched the stars crash in the sea
If I could ask god just one question
Why aren't you here with me
Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know

Why I wasn't meant for you
Someday we'll know
Why Samson loved Delilah
One day I'll go
Dancing on the moon
Someday you'll know
That I was the One for you
