Slow down the light's green  
Speed up the mysteries  
The ghost of your masterpiece  
Breathes now like the trees  
Begging please

'Cause if you feel love in the city tonight  
Wont you breathe in 'cause you know it's alright  
Feeling sober with all of us on your mind

Day train has beens  
Daisy chains on the silver screen  
The bloodshot limousine  
Gold mine entities  
Begging please

'Cause if you feel love in the city tonight  
Wont you breathe in 'cause you know it's alright  
Feeling sober with all of us on your mind  
On your mind all of us on your mind  
All of us on your mind

Feels like a film with your love in black and white  
Sunday through Monday the radio star wont run away

'Cause if you feel love in the city tonight  
Wont you breathe in 'cause you know it's alright  
Feeling sober with all of us on your mind  
All of us on your mind all of us on your mind
