What can I say?
I'm back for a beating
Back here again
Look at you now
Trying to breathe when there's work to be done

You're so ordinary
You're so, you're so
You're so ordinary
You're so, you're so

What do you mean?
It's not worth repeating
Tell me again
Look at me now
Well I can't believe that you're talking me down

You're so ordinary
You're so, you're so
You're so ordinary
You're so, you're so

It's all I wanted to say
It's all I wanted to say
It's all I wanted to say

What do you mean?

It's not worth repeating
Tell me again
What can I say?
I'm back for a beating
Back here again

You're so ordinary
You're so, you're so
You're so ordinary
You're so, you're so

It's all I wanted to say
It's all I wanted to say
It's all I wanted to say

It's all I wanted to say

You're so ordinary
You're so, you're so
You're so ordinary
You're so, you're so
You're so ordinary
You're so, you're so
You're so ordinary
You're so, you're so
