Tell me, could you keep a secret?
I don't think I can
I'm all about confession and this self disclosure
Selling me out

All I do is sit here on my hands
Talking to myself
Talking in my sleep
There's nothing I can do

Taking all your time 'cause I wasted all of mine
Talking in my sleep
Talking in my sleep

Sorry for that shit I said
I don't know why I did
I think that I was drunk or something

Something or other
I think that's what I meant
But I forget

Sitting on my hands
Talking to myself
Talking in my sleep
There's nothing I can do
Taking all your time 'cause I wasted all of mine
Talking in my sleep
Talking in my sleep

Whatever I get is just what I deserve
I'm talking in my sleep
