Share a cigarette  
Tell me what you think  
I can tell that I've been getting under your skin  
Put me in my place  
Tell me when I'm done  
All in all you're just another friend of a friend

Arrogant little one  
I don't wanna know what you've done now  
If it's about loyalty then I don't wanna get in your way  
I'm not a novelty, you bet  
I'm only trouble's all you said

You got the right idea  
Keep it to yourself  
No one else you listen to  
Somehow I can tell  
I'm your biggest fan

You say I'm lazy but I'm not  
All in all I'm only ever ten years too young

Arrogant little one  
I don't wanna know what you've done now  
If it's about loyalty then I don't wanna get in your way  
I'm not a novelty, you bet  
I'm only trouble's all you said

Sit up 'til the morning  
Tell me what you think  
Why would I go home when it's so good to fit in?  
You put me in my place  
Told me that I'm done  
All in all you're just another friend of a friend
