"Alleluia (Raise Your Voice)"

Visit "[Alleluia \(Raise Your Voice\)](#)" on MotoLyrics.com

Raise your voice to our God and King
Raise your voice, raise your voice and sing
Raise your voice to our God above
Raise your voice to proclaim His love

Alleluia! Alleluia! Alleluia! Alleluia!

Raise your hands to our God and King
Raise your hands, raise your hands and sing
Raise your hands to our God above
Raise your hands to receive His love

Alleluia! Alleluia! Alleluia! Alleluia!

As we come together
As we sing to praise the Son
We become His body
We become as one!

Raise your voice to our God and King
Raise your voice and sing
Raise your voice to our God above
Raise your voice, proclaim His love

Alleluia! Alleluia! Alleluia! Alleluia!
