Found myself looking into the mirror  
Knew I wasn't who I wanted to be  
I was living like the way that I wanted  
But my eyes reminded me I'm not free  
Believe that I saw, everything that I know  
Says I gotta go, tired of going solo  
But I'm never gonna go there again

Chorus:

This is what it is  
This is who I am  
This is where I finally take my stand  
I didn't want to fall, but I don't have to crawl  
I met the one with two scarred hands  
Givin' him the best of, everything that's left of  
The life inside this man  
I've been Born Again

I see you're walking like you're living in fear  
Having trouble even looking at me  
Wishing that they give you more than words  
Sick of people telling how it should be (how it should be)  
What's your download, where'd you get your info  
Saw that I'm show, now you're in the in-load  
I'm gonna tell you what I believe, OH

(Chorus)

We are the ones, he called by name  
Never gonna look back  
Let go, let go the guilt the shame  
I said I'm never gonna look back  
This is who I am

(Chorus 2x)

I am Born Again
