Glory be to the Father
For His glory, give praise
To the Son, our redeemer
Life and truth and the way
Glory be to the Spirit
Wisdom, comfort and guide
Now with voices together
We hear God's name glorified

CHORUS

All glory be to the Father
All glory be to the Son of Man
All glory be to the Spirit - Glory!
As it was when the world began, it shall be in the end

All peoples together
To our God, let us say
Father, Son and the Spirit
You are worthy of praise
You alone are the Father
Only you are the Son
You alone are the Spirit
Only you are the One

(repeat chorus)

Glory be to the Father
Glory be to the Son
Glory be to the Spirit
In the Trinity, one
As it was when it started
So is now and is then
Forever and ever
Forever, amen
