Everybody needs somebody
To rely on
(To rely on, realize)
Everybody needs somebody's
Shoulder to cry on
(Just to cry on, realize)

I wanna send you there
To assist
(I wanna send you there)

CHORUS:

GO
From the top of the world
To the bottom rung
'Til the work is done
I wanna send you
GO
From the break of dawn
To the age's end
Someone's needing a friend
I wanna send you

Everybody needs somebody
For the long ride
(For the long ride, ride along)
Everybody needs somebody
Comin' alongside
(Come alongside, side along)

Are you gonna lend a hand
Or a fist?
(I wanna send you there)

REPEAT CHORUS

Gonna send you out one by one
If I need it sung, can you sing it loud?
Gonna send you out two by two
Outta the Ark, into the wild blue

Gonna come along by your side
Gonna send along my Spirit guide
I'm gonna show you miracles
Cover the earth
Make disciples

REPEAT CHORUS

GO
From the top of the world
To the bottom rung
'Til the work is done
I'm gonna send you
GO
From the ends of the earth
To the nearest gap
All over the map
I'm gonna send you
