Send the word that the King is coming  
Lift your voices up to the holy one  
Open wide, let the portal gates be opened  
Come and dwell with us, King of glory

He is the King of glory, all honor and praise!

Have you heard? He is God forever  
Lift your hands in praise to our God and King  
Open wide, let your hearts be opened  
Come and dwell with us, King of glory
