I dream of that day when we'll see Him
When petty contentions will cease
When others? become as our brothers?
And the world will live in peace
And on that day, I will sing praises
For though He was angry with me
Relenting, He comforted me and
He saved and set me free

CHORUS

In the day of the Lord
The wolf, the lamb and the lion will lie down
Sleep safe in peace
And a child will lead them all

I trust in the Lord and take courage
For God is my strength from all fears
The Lord has become my salvation
A song unto my ears
With joy I will draw from the waters
The well of salvation's springs
And on that day, my soul will bless Him
For He has done great things

(repeat chorus)

I rejoice in the Lord
Call on His holy name
I sing of His wondrous deeds
For great is the Lord

(repeat chorus)
