Fisher of men remembers...

And I have watched in wonder  
As with a word You calmed a raging sea  
I have seen You make the wine from water  
Mud and water made a blind man see  
Water still reminds me  
Of the seaside where our eyes first met

Chorus

Let it rain  
Lord we're waiting for Your rain to fall  
Let it rain  
Bringing back the wonder of it all  
And I can see Your face again  
When You let it rain

And I've been bathed in mercy  
By every gesture, every word You've said  
Once I spoke of power and high position  
You toke a towel and washed my feed instead  
Water, like a promise  
Heaven opens, but I'm not there yet

- Chorus -

I've been foolish  
Thought I know it all  
Three times I denied Your name  
Your forgiveness, like a waterfall  
Washes away my shame

A new dawn is breaking  
Another our, and the I leave this place  
I am ready, Lord, to give my life up  
I'm so ready, Lord, to see Your face  
Water, like a promise  
And in this final hour, I think my final prayer shall be  
Would You let it rain?

Let Your Spirit fall afresh on me

- Chorus -
