You are the author of knowledge  
You can redeem what's been done  
You hold the present and all that's to come  
Until your everlasting kingdom

Lord, I don't know where all this is going  
Or how it all works out  
Lead me to peace that is past understanding  
A peace beyond all doubt

You are the God of tomorrow  
Turning the darkness to dawn  
Lifting the hopeless with hope to go on  
You are the rock of all salvation

Lord, I don't know where all this is going  
Or how it all works out  
Lead me to peace that is past understanding  
A peace beyond all doubt

Oh, Lord, you are the author  
Redeeming what's been done  
You hold us in the present  
And all that is to come

Lord, we don't know where all this is going  
Or how it all works out  
Lead us to peace that is past understanding  
A peace beyond all doubt
