See what love the Father has
When He calls us all His own
Children, let your praises ring
For the grace our God has shown

See what love the Father has
Breathing life in human clay
We with all creation shout
Lift our hearts and sing his praise

CHORUS

Lord of power, Lord of might
God of every age
It is good, it is right
We give thanks and praise

See what love the Father has
Giving us His Son to die
Lamb who paid the debt for sin
For our life, He paid the price

(repeat chorus)

See what love the Father has
When He calls us all to serve
See His face reflected in
All the people of the Earth

(repeat chorus)
