There's a time for war
There's a time for peace
A time to live and a time to die
A time to grieve and a time to dance
This time is for you

Chorus

Ain't no use in looking back, no
Keep on plowing straight ahead, yo
Nothin' left back in Egypt land
When the big time comes around

There's a time to cry
And a time to laugh
A time for throwing away
There's a time for death and a time for life
Now's the time for you

There's a time to run
And a time to stand
A time for looking ahead
There's a time to stay
And a time to go
This time it's for you

Repeat chorus

Bridge

There's a time for everything
And now's the time to serve the King
There's a time for all to see
And now's the time for you and me

Repeat chorus 2x

SIMMS, PERDIKIS, TAYLOR, FURLER JAMES (BMI)
