We are people of the Lord's hands
Salt for the Earth
We are people of the Lord's hands
Light for the world
Let the people of the Lord's hands
Rise up and sing
In praise of the King, our God

CHORUS

We are your people
We are your children, O God
We are your people
Sent to be light for the world

We are children of the Lord's hands
Flock of the Lord
We are children of the Lord's hands
Image of God
Let the children of the Lord's hands
Dance and Rejoice
With heart, hand and voice, we sing

(repeat chorus)

Let the people of the Lord's hands
Rise up and sing
In praise of the King, our God

(repeat chorus)
