"Woohoo"

Request the honor of your presence
The tear gas has blown away
Put down your crumpets and your coffee now
So unfashionably late
Pre-Chorus
Little brother, little sister
Underwater we go
Out of our ordinary selves
Steppin out to where the people sing

Chorus
Woohoooooooooooooooooooo
-and the people sing
-and the times are good

You say i'm acting like a beggar
I call it killin the fool
You carry more baggage
Than a momma's boy
On your first day of school

Pre-Chorus
Chorus

Bridge:
Let go the light of the t.v.
Drop the hands
The chains that bind me
Turn it all around
Stop, lift you up 'n die to self
In a time when the left and the right's the same
When it's all blurred vision in a crazy haze
Send out the invitations!

Chorus

You say i'm acting like a beggar
I call it killing the fool
To save your life you gotta lose it
So the people sing
