what were you thinking  
I got a right to ask  
is there a reason  
other than your past  
a great pretender  
why was I the last to see  
through your SKIN  
is there a chance you'll ever change

Chorus

it's always the same  
you're always to blame  
is there any way around this  
I can't see  
you walked out on her  
you planned to be free  
I'm trying to point the finger  
but it's killing me

what were you thinking  
where you thinking of me  
did you see what they wrote  
on the family tree  
I know it's all over  
all in the past  
I need to forgive you?  
if I'm the last-will I ever change

Chorus

[ vamp ]

Chorus

take these pieces  
thrown away  
put them together from  
night 'n' day  
washed by the sun  
dried by the rain  
to be my father  
in fatherless days
