One to another
Do you remember me?
I feel so small
Are you listening tonight?
So temporary
Things that I have seen
I ran so far
Will you take me back again
Entertaining angels
By the light of my tv screen
24-7 you wait for me

Entertaining angels
By the time I fall to my knees
Host of heaven, sing over me

One to another
The feelings in between
I won't let go
Of all you taught me
All right

Close as a brother
The way we used to be
I'll hold my breath
And wait for you to breathe

Entertaining angels
By the light of my tv screen
24-7 you wait for me

Entertaining angels
While the night becomes history
Host of heaven, sing over me

Entertaining angels
By the light of my tv screen
24-7 you wait for me

Entertaining angels
By the time I fall to my knees
Host of heaven, sing over me

Entertaining angels
By the light of my tv screen
24-7 you wait for me

Entertaining angels
While the night becomes history
Host of heaven, sing over me

Entertaining angels
By the light of my tv screen
24-7 you wait for me

Entertaining angels
By the time I fall to my knees
Host of heaven, sing over me
