Wherever we go bluebirds sing  
And the flowers bloom  
And the grass gets green  
It's a curious thing  
But it's just our thing

Wherever we go, the bees behave  
In the treetops, squirrels smile and wave  
It's a curious thing  
And it's humbling

Wherever we go, little glow-worms glow  
Little road-runners run ahead  
Gonna tell their friends  
Little mice, little men  
Get 'em all excited  
All invited

(Chorus)  
Hands up  
Holler back here  
Let's throw this party in gear  
We brought the welcome mat  
Wherever we go, that's where the party's at  
Hands up  
Holler back now  
We don't claim any known-how  
We're giving God all that  
Wherever we go, that's where the party's at

Wherever we go, the dumb get wise  
And the crime rates drop  
And the markets rise  
It's a curious thing  
But it's just our thing

Bullies make nice, crooks repent  
In the ozone layer shows improvement  
It's a curious thing  
And it's humbling

Wherever we're lead

All the Living Dead  
Wanna leave their Zombie Mob  
It's a touching scene when they all come clean  
God help us, we just love our job
