Let love explode and bring the dead to life.  
A love song bold to see a revolution  
Some how

Let love explode and bring the dead to life.  
A love song bold to bring a revolution  
Some how

Now I'm lost in your freedom  
And this world I'll overcome

My gods not dead he's surely alive  
He's living on the inside roaring like a lion

Our gods not dead he's surely alive  
He's living on the inside roaring like a lion  
He's roaring he's roaring he's roaring like a lion

Let hope arise and make the darkness hide  
When faith is dead I need a resurrection  
Some how  
Now I'm lost in your freedom  
And this world I'll overcome

My gods not dead he is surely alive  
He is living on the inside roaring like a lion  
Our gods not dead he is surely alive  
He's living on the inside roaring like a lion

He's roaring he is roaring he's roaring like a lion  
He's roaring he is roaring he's roaring like a lion

let heaven roar  
And fire fall  
Come shake the ground  
With the sound  
Of revival

let heaven roar  
And fire fall  
Come shake the ground  
With the sound

Of revival

Let heaven roar  
And fire fall  
Come shake the ground  
With the sound  
Of revival

My gods not dead he's surely alive  
He's living on the inside roaring like a lion

My gods not dead he's surely alive  
He's living on the inside roaring like a lion  
Our god not dead he's surly alive  
He's roaring he's roaring he's roaring like a lion  
Our Gods not dead he's surly alive  
He's roaring he's roaring he's roaring like a lion  
He's roaring like a lion
