She's been dazed and induced
Wants a part-time God for her private use
But she won't take a stand
'Cause she might get tagged as a closet Jesus fan

Sign on, the time is drawing near
This is surely a banner year
To be a public witness

Sign on, the lines are drawn and clear
There's no straddling fences here
We're going public with this

He's displaced and unglued
Scared that faith in God could be misconstrued
But the cross makes him wish
That this spine was more than a school of jellyfish

Sign on, the time is drawing near
This is surely a banner year
To be a public witness

Sign on, the lines are drawn and clear
There's no straddling fences here
We're going public with this
