Another turning point a fork stuck in the road
time grabs you by the wrist directs you where to go
So make the best of this test and don't ask why
its not a question but a lesson learned in time

It's something unpredictable
but in the end is right
I hope you have the time of your life

So take the photographs and still frames in your mind
Hang it on the shelf in good health and good time
Tatoos of memories and dead skin on trial
for what its worth it was worth all the while

Its something unpredictable
but in the end is right
I hope you have the time of your life
