Things are getting tough, you got to hang in there
When you're just about to quit, let God be God
When your back is against the wall, His love will be true
When you're feeling two feet tall, stand upon the Rock

You won't be afraid when He is with you
Don't be afraid for He is with you

He's comin' back like He promised He would
Let's be ready when the trumpet sounds
He's comin' back like He promised He would
Let's be ready when the trumpet sounds

He's comin' back like He promised He would
Let's be ready when the trumpet sounds
He's comin' back like He promised He would
Let's be ready when the trumpet sounds
