Separated, I cut myself clean from a past that comes
back in my darkest of dreams
Been apprehended by a spiritual force and a grace that
replaced all the me I divorced
I saw a man with a tat on his big fat belly
It wiggled around like marmalade jelly
It took me a while to catch what it said, 'cause I had to
match the rhythm of his belly with my head
"Jesus Saves" is what it raved in a typical tattoo green
He stood on a box in the middle of the city and he
claimed he had a dream...

What will people think when they hear that I'm a Jesus
freak?
What will people do when they find that it's true?
I don't really care if they label me a Jesus freak - there
ain't no disguising the truth
There ain't no disguising the truth
No I ain't into hiding the Truth

Kamikaze, my death is gain - I've been marked by my
Maker, a peculiar display
The high and lofty, they see me as weak - but I won't
live and die for the power they seek
There was a man from the desert with naps in his head
The sand that he walked was also his bed
The words that he spoke make the people assume
there wasn't too much left in the upper room
With skins on his back and hair on his face, they
thought he was strange from the locusts he ate
All the Pharisees tripped when they heard him speak
until the king took the head of this Jesus freak

What will people think when they hear that I'm a Jesus
freak?
What will people do when they find that it's true?
I don't really care if they label me a Jesus freak - there
ain't no disguising the truth
No I ain't into hiding the Truth

People say I'm strange, does it make me a stranger
that my best friend was born in a manger?

What will people think (what will people think?)
What will people do (what will people do?)
I don't really care (what else can I say?)
There ain't no disguising the Truth (Jesus is the Way)
