"Lord"

You are the author of knowledge
You can redeem what's been done
You hold the present and all that's to come
Until your everlasting kingdom

Lord, I don't know where all this is going
Or how it all works out
Lead me to peace that is past understanding
A peace beyond all doubt

You are the God of tomorrow
Turning the darkness to dawn
Lifting the hopeless with hope to go on
You are the rock of all salvation

Oh, Lord, you are the author
Redeeming what's been done
You hold us in the present
And all that is to come
