"Pouring It Out"

O for grace to trust
O for strength to love
O to cast my cares down at your feet
O for feet to dance
O for a heart to romance
O for lungs to lift your name so high

My hands go up, giving you glory
I just can't get enough
You are so worthy, Lord
I'll keep pouring it out for you
My cup is overflowing
With your perfect love
You're all I'm longing for
I'll keep pouring it out for you

O for faith to rise
O my soul come alive
O my God You are all I need
O for feet to dance
O for a heart to romance
O for lungs to lift your name so high
O lift Your name
My hands go up, giving you glory
I just can't get enough
You are so worthy, Lord
I'll keep pouring it out for you
My cup is overflowing
With your perfect love
You're all I'm longing for
I'll keep pouring it out for you
My heart and flesh they cry out holy
Jesus be my one and only joy [x2]
My hands go up, giving you glory
I just can't get enough
You are so worthy, Lord
I'll keep pouring it out for you
My cup is overflowing
With your perfect love
You're all I'm longing for
I'll keep pouring it out for you

My heart and flesh they cry out holy
Jesus be my one and only joy [x2]
