There's a me that I don't really like
A me that says
I'm
In control till the day that I die
And I don't
know why
I push I pull I fight I fall
I end up crawling back
to
That place where I figure it out
That I, that I,
that I

I'm second to One
Redeemer, the Way, the
Light
I'm second to One
The Saviour, No
compromise
I'm laying everything
At the foot of the
cross
My pride, my life, my all
I am second to One
And He is second to none
And He is second to none
Second to none

There's a change when
I swallow my pride
And I surrender
There's a
peace
When I open my eyes
So I remember
To live's to die
To fall's to rise
To kneel's to
find the Savior
Here I am and I've figured it
out
Tonight tonight tonight!

I'm second to One
Redeemer, the Way, the
Light
I'm second to One
The Saviour, No
compromise
I'm laying everything
At the foot of the
cross
My pride, my life, my all
I am second to One
And He is second to none

Second to none

He said "You come alive"
When you lose your
life"
So I lay it down
Yeah I surrender all

I surrender all

I'm second to One
Redeemer, the Way, the
Light
I'm second to One
The Saviour, No
compromise
I'm laying everything
At the foot of the

crossâ€”My pride, my life, my allâ€”I am second to One

I'm second to Oneâ€”Redeemer, the Way, the Lightâ€”I
'm second to Oneâ€”The Saviour, No compromise
â€”I'm laying everythingâ€”At the foot of the
crossâ€”My pride, my life, my allâ€”I am second to One

He is second to none...
