People, get ready It's time to show what you got Players, take your place It's only one way to the top

You must feel the victory Release that energy and ride like the wind With fire in your eyes, shake those butterflies And do the best you can

Victory, victory Let the party begin Victory, victory Let's do it again

You are the best You seem to stand out from the rest Your intentions to be more Than a honorable mention

You must feel that victory
Release that energy and ride like the wind
Fire in your eyes shake those butterflies
Go ahead and go for the win now

Victory, victory Let the party begin Victory, victory Everybody can win

'Cause it's the same way in life
Same way in life
Inside the tunnel see the light
See the light
The perfect balance you must find
It's the same way in life

Victory, victory, victory Victory, sweet, oh, victory, sweet Victory, sweet, can you feel it? Victory, sweet, so sweet, so sweet There's only one way to the top
If you really want it, you can never stop
Pushing for the victory, go ahead
Players, take your places, go ahead
Feel that victory, release that energy
So sweet, to the top, go ahead, go ahead
