I've had questions, without answers  
I've known sorrow, I have known pain  
But there's one thing, that I'll cling to  
You are faithful, Jesus You're true

When hope is lost, I'll call You Saviour  
When pain surrounds, I'll call You healer  
When silence falls, You'll be the song within my heart

In the lone hour of my sorrow  
Through the darkest night of my soul  
You surround me and sustain me  
My defender, forevermore

When hope is lost, I'll call You Saviour  
When pain surrounds, I'll call You healer  
When silence falls, You'll be the song within my heart

And I will praise You, I will praise You  
When the tears fall, still I will sing to You  
And I will praise You, Jesus praise You  
Through the suffering still I will sing

When hope is lost, I'll call You Saviour  
When pain surrounds, I'll call You healer  
When silence falls, You'll be the song within my heart

Oh yes, You are good to me  
You've always been good to me  
So trustworthy

When hope is lost, I'll call You Saviour  
When pain surrounds, I'll call You healer  
When silence falls, You'll be the song within my heart

And I will praise You, I will praise You  
When the tears fall, still I will sing to You  
I will praise You, Jesus praise You  
Through the suffering still I will sing

How faithful and true sustain me through and through  
You are hope and truth

You're my spring of living water  
You're my spring of living water  
In the lone hour you are there  
You're in my sorrow  
You're my hero

Like warm water guiding  
Whose springs never fail  
Be faithful and true  
Like warm water guiding  
Like a spring it never fails  
You're my spring it never fails
