When you're dull from all that glitters, when your  
thoughts have a hollow ring, when you can't escape  
from the you're getting it wrong...

All your foolproof plans seem foolish, all your status is  
status quo, all you really need to know is where you  
belong.

Chorus

Turn your eyes upon Jesus. Look full in his wonderful  
face. And the things of earth will grow strangely dim in  
the light of his glory and grace.

I was used to the cold for so long that couldn't feel  
anything. And I shivered and stared like a beggar who  
won't lift his hands. I was numb until he touched me. I  
was deaf until he heard. I was senseless 'til I met the  
one who understands.

Chorus
