Cathedrals have tried in vain to see the image of your face

But we are by your design the signature of deign

We'll always sing your name forever and today

(chorus)

Yahweh Yahweh

Great is your glory when you go before me

oooo we sing holy holy your ways are lovely so high

above me

Yahweh

wo oh wo oh a wo oh wo oh a wo oh oh wa oh a wa oh

wa oh a wa oh

Fortunes of kings and queens are waisted chaising

what we've seen

But we are by your reprieve pain brought in your

suffering

We'll always sing your name forever and today

(chorus)

So take me and pull me through cause i cant move

without you

i wont leave you alone you say it will be okay

(chorus 2 times)

ancient of day

Yahweh

wo oh wo oh a wo oh wo oh a wo oh oh wa oh a wo oh

oh wa oh a wo oh
