She's alright already, she's back on her feet
It didn't take her long to get over me
My heart's still hurtin' but what's killin me
She's alright already and I'm just a memory

There I stood with flowers in hand
Hopin' to dry her tears
She walked out that door with him
Grinning from ear to ear

She's alright already, she's back on her feet
It didn't take her long to get over me
My heart's still hurtin' but what's killin me
She's alright already and I'm just a memory

She said there would never be anyone else
No one could fill my shoes
Now she's using that same old line
Snuggled up to someone new

She's alright already, she's back on her feet
It didn't take her long to get over me
My heart's still hurtin' but what's killin me
She's alright already and I'm just a memory

She's alright already and I'm just a memory
