I've got a never-ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never-ending love for you

I've got a never-ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd have a never-ending love for you

After all this time of bein' alone
We can love one another, give for each other
From now on
It's so good I can hardly stand it

Never-ending love for you
From now on that's all I want to do
From the first time we met I knew
I'd sing my never-ending song of love for you

After all this time of bein' alone
Never-ending love for you
I've got a never-ending love for you
