Sweet

Must be the new word for water, for water

Hands

Can't even hold a thing

The air tastes useless

The air tastes useless

Can't get enough of this

All that is thirst

All that is thirst

Playing new Hide and Seek

Keep moving still

Keep moving still

Clouds

I've tried to carry

Upon my shoulder

Upon my shoulder

Keep gentle and patient

Befriend the weather

Befriend the weather

Can't get enough of this

All that is thirst

All that is thirst

Playing new Hide and Seek

Keep moving still

Keep moving still

Can't get enough of this

All that is thirst

All that is thirst

Playing new Hide and Seek

Keep moving still

Keep moving still

Can't get enough of this  
All that is thirst  
All that is thirst  
Playing new Hide and Seek  
Keep moving still  
Keep moving still

Can't get enough of this  
All that is thirst  
All that is thirst  
Playing new Hide and Seek  
Keep moving still  
Keep moving still

Can't get enough of this  
All that is thirst  
All that is thirst  
Playing new Hide and Seek  
Keep moving still  
Keep moving still
