This song was meant to hurt
Was meanna be
About the broken world
(In a broken girl)
These words
I found written on my window
By the "L" the lipstick dead

I've gone, I've seen her crying
I've got, she ran too fast
I've gotta make her stop
But I just stood there
Watched her fly

If I could lipstick it one more time
(â€¦If I could lipstick it one more time)
Reverse the day
(â€¦Reverse the destiny)
Back to where I begun
Leaving my memories behind
I'd draw a brand new history
A brand new me

I say it standing seconds away from me eyes
â€¦ [unclear] sky

I breathe slower
As the fever comes
And takes away the stream of useless words
(No need to explain)
I dive deeper
Though I cannot swim
Air and water seems the same
(Everything makes perfect sense)

If I could live it one more time

Reverse the day
(Reverse the day)
Back to where I begun
Leaving my memories behind
I'd draw a brand new history
A brand new me

Lips against the heart
Heart against the will
I say the standing seconds during from the eyes
Toes beyond the sky
Hand beyond the reach

If I could live it one more time
Reverse the destiny
(Reverse the day)
Back to where I begun
Leaving my memories behind
I'd draw a brand new history
A brand new me

If I could live it one more time
Reverse the day
(Reverse the day)
Back to where I begun
Leaving my memories behind
I say the standing seconds during from the eyes
