I seat neatly, just like you told me
I don't move, nor complain
I only speak when I am hungry
Or when there's nothing else to say

So where do I go
If you are not here
I am breaking the rules
I wade in the air
I've broken our home
And fallen adrift
I throw away love
Then fall in again

This is the summer, summer
This is the summer, summer
This is the summer, summer
This is the summer of tears

I forgot breathing for days
Fear I might fall asleep forever
Can't tell the difference between us
(How do I loose myself)
How do I loose myself
How straightâ€™

So where do I go
If you are not here
I am breaking the rules
I wade in the air
I've broken our home
And fallen adrift
I throw away love
Then fall in again

This is the summer, summer

This is the summer, summer
This is the summer, summer
This is the summer of tears

This is the summer, summer
This is the summer, summer
This is the summer, summer
This is the summer of tears

So where do I go
If you are not here
This is the summer
This is the summer, summer
I am breaking the rules
I wade in the air
This is the summer
This is the summer, summer
I've broken our home
And fallen adrift
This is the summer
This is the summer, summer
I throw away love
Then fall in again
This is the summer
This is the summer, summer

This is the summer, summer
This is the summer, summer
This is the summer, summer
This is the summer of tears

This is the summer, summer
This is the summer, summer
This is the summer, summer
This is the summer of tears
