Raped women  
Lough at their stretch minds  
Unborn babies so happy  
Because they've never tasted an oxygen

Bloody victims  
March right through their promised land  
The land of never ending war

Blessed were for army  
Im chaste, men tidy  
Cuddle birth heats  
What's the point?

Blessed were for army  
Im chaste, men tidy  
Cuddle birth heats  
What's the point?

Waterfalls  
Waterfalls  
Waterfalls  
(those waterfallsâ€¦!)

Waterfalls  
Waterfalls  
Waterfalls  
(those waterfallsâ€¦!)

Waterfalls

Little girls  
And their cashmere eyes  
Are crying in a front of steel mirrors

Revolted trees  
That used to be green  
They're not green anymore

Few buildings  
That used to be warm homes  
Ran away  
Ran away  
And left their sad fire places

Blessed were for army  
Im chaste, men tidy  
Cuddle birth heats  
What's the point?

Blessed were for army  
Im chaste, men tidy  
Cuddle birth heats  
What's the point?

Waterfalls  
Waterfalls  
Waterfalls  
(those waterfallsâ€¦)  
Waterfalls  
Waterfalls  
Waterfalls  
Waterfalls  
(those waterfallsâ€¦)  
Waterfalls
