Jack
Well, hello again.
Katherine
Please go away. I'm working.
Jack
A smart girl, eh? Beautiful. Smart. Independent.
I got no use for moonlight
Or sappy poetry.
Love at first sight's
For suckers,
At least it used to be.
Look, girls are nice,
Once or twice,
Till I find someone new,
But I never planned on
Someone like you.
(Simultaneously with below)
I got no use for moonlight
Or sappy poetry.
Love at first sight's for suckers,
At least it used to be.
Bowery Beauties
Don't come a-knocking on my door.
You aren't welcome here
No more.
I should have known you
Stuck like yesterday's trash
The night you stole my heart
Plus forty dollars in cash

Turns out my beau is
Just some bum
Turns out that love
Ain't blind, it's dumb.
You never told the truth or
Worked a day in your life.
In fact, you're so revoltin',
I feel bad for your wife.
Katherine
What are you doing?
Bowery Beauties

I won't be shaving your back
Anymore, no seÃ±or.
Jack
Quiet down. There's a show going on.
Bowery Beauties
Don't come a-knocking
On my door!
Katherine
You are the most impossible boy ever.
Bowery Beauties
Don't come a-knocking
On my door!
Jack
Shh!
No, I never planned on
Someone like you.
Bowery Beauties
Don't come a-knocking
On my door!
