My dad seemed ten feet tall
When I was just a kid
And if you asked me who my hero was
I'd quickly tell you it was him
He must have had a thousand stories
I must have heard a million times
But I'll never forget as long as I live
Us kneeling down that day
Him teaching me to pray(he said)
Chorus:
It's not far from here to Jesus
His loving arms are open wide
Close your eyes and he will lead you
Safely to his side
There's no need for you to fear him
You can trust him with your heart
And it's not far
It's not far
I couldn't help but wonder how
The years have gone so fast
With every breath dad fought to take
I knew could be his last
And as we gathered round his bedside
And fumbled through what we would say
I bowed my head and began to cry
And whispered in his ear
My last goodbye(and said)
(chorus)
Bridge:
There is no distance
From the love of God
He's always there to hear our prayer
And answer when we call
(chorus)
From here to Jesus
It's not far
It's not far from here to Jesus
It's not far from here
It's not far from here to Jesus
It's not far
It's not far

It's not far from here
It's not far from here to jesus
It's not far from here
