So that's what they call a family  
Mother daughter father son  
Guess that everything you heard about is true  
So you aint got any family  
Who said you needed one  
Aint ya glad nobody's waiting up for you

When I dream on my own  
I'm alone but I aint lonely  
For a dreamer nights the only time a day  
When the city's finally sleeping and my thoughts begin  
to stray  
And I'm on the train that's bound for Santa Fe  
And I'm free like the wind  
Like I'm gunna live forever  
Its a feeling time can never take away  
All I needs a few more dollars  
And I'm outa here to stay  
Dreams comes true, yes they do  
In Santa Fe

Where does it say that you gotta live and die here  
Where does it say a guy can't catch a break  
Why should you only take what your given  
Why should you spend your whole life livin'  
Trapped where they aint no future even at 17  
Breaking your back for someone else's sake  
If the life don't seem to suit ya how bout a change of  
scene  
Far from the lousy headlines and the deadlines in  
between

Santa Fe are you there  
Do you swear you wont forget me  
If I found you would you let me come and stay  
I aint getting any younger  
and before my dying day  
I want space not just air  
Let them laugh in my face  
I don't care  
Sante Fe  
I'll be there

So that's what they call a family  
Aint ya glad you aint that way  
Aint ya glad you have a dream called  
Santa Fe
